The written notification to DOJ, FBI, DOD and DHS shall set forth the reasons for the removal if such reasons are related to the performance of this Agreement. In no event shall a vacancy for the position of Security Director exist for a period of more than ninety (90) days before New GX nominates a qualified candidate to fill such vacancy.

3.21. Indemnification of Security Directors. New GX shall indemnify and hold harmless each Security Director from any and all claims arising from, or in any way connected to, his or her performance as a Security Director under the Agreement except for his or her own individual gross negligence or willful misconduct. New GX shall advance fees and costs incurred in connection with the defense of such claim. New GX may purchase insurance to cover this indemnification.

3.22. Operational Control of New GX Network. Except to the extent and under conditions concurred in by the FBI, DOJ, DOD and DHS in writing, operational control of the Domestic Communications Infrastructure will be restricted to the New GX Network Operating Centers located in the United States.

3.23. Security Standards and Practices, and Consultations with U.S. Government. Domestic Communications Companies will maintain or exceed security standards and practices utilized within the U.S. telecommunications industry and will consult with the DOJ and other appropriate U.S. government agencies on steps to maintain or exceed such standards and practices.

3.24. Notice of Obligations. Domestic Communications Companies shall instruct appropriate officials, employees, contractors, and agents as to the security restrictions and safeguards imposed by this Agreement, including the reporting requirements in Sections 5.5, 5.6, and 5.7 of this Agreement, and shall issue periodic reminders to them of such obligations.

3.25. Access to Classified, Controlled Unclassified, or Sensitive Information. Nothing contained in this Agreement shall limit or affect the authority of a U.S. government agency

to deny, limit or revoke Domestic Communications Companies' access to Classified, Controlled Unclassified, and Sensitive Information under that agency's jurisdiction.

ARTICLE 4: DISPUTES

4.1 Informal Resolution The Parties shall use their best efforts to resolve any disagreements that may arise under this Agreement. Disagreements shall be addressed, in the first instance, at the staff level by the Parties' designated representatives. Any disagreement that has not been resolved at that level shall be submitted promptly to the General Counsel of New GX, the General Counsel of the FBI, and the Deputy Attorney General, Criminal Division, DOJ, the General Counsel of DOD, and the General Counsel of DHS or their designees, unless the FBI, DOJ, DOD or DHS believes that important national interests can be protected, or a Domestic Communications Company believes that its paramount commercial interests can be resolved, only by resorting to the measures set forth in Section 4.2 of this Agreement. If, after meeting with higher authorized officials, any of the Parties determines that further negotiation would be fruitless, then that Party may resort to the remedies set forth in Section 4.2 of this Agreement. If resolution of a disagreement requires access to Classified Information, the Parties shall designate a person or persons possessing the appropriate security clearances for the purpose of resolving that disagreement

4.2 Enforcement of Agreement. Subject to Section 4.1 of this Agreement, if any of the Parties believes that any other of the Parties has breached or is about to breach this Agreement, that Party may bring an action against the other Party for appropriate judicial relief. Nothing in this Agreement shall limit or affect the right of a U S government agency to:

- (i) require that the Party or Parties believed to have breached, or about to breach, this Agreement cure such breach within thirty (30) days upon receiving written notice of such breach;
- (ii) request that the FCC modify, condition, revoke, cancel or render null and void any license, permit, or other authorization granted or given by the FCC to Domestic Communications Companies, or request that the FCC impose any other appropriate sanction, including but not limited to a forfeiture or other monetary penalty, against Domestic Communications Companies;
- (iii) seek civil sanctions for any violation by New GX or Domestic Communications Companies of any U.S. law or regulation or term of this Agreement;
- (iv) pursue criminal sanctions against New GX or Domestic Communications Companies, or any director, officer, employee, representative, or agent of Domestic Communications Companies, or against any other person or entity, for violations of the criminal laws of the United States; or
- (v) seek suspension or debarment of New GX or Domestic Communications Companies from eligibility for contracting with the U.S. government

4.3. Inseparable Injury. New GX agrees that the United States would suffer irreparable injury if for any reason a Domestic Communications Company failed to perform any of its material obligations under this Agreement, and that monetary relief would not be an adequate remedy. Accordingly, New GX agrees that, in seeking to enforce this Agreement against Domestic Communications Companies, the FBI, DOJ, DOD and DHS shall be entitled, in addition to any other remedy available at law or equity, to specific performance and immediate injunctive or other equitable relief. The obligations in Section 5.5 or 5.6 are material for the purpose of this Section. (Listing these sections does not imply that obligations in other sections are not material).

4.4 Waiver. The availability of any civil remedy under this Agreement shall not prejudice the exercise of any other civil remedy under this Agreement or under any provision of law, nor shall any action taken by a Party in the exercise of any remedy be considered a waiver by that Party of any other rights or remedies. The failure of any Party to insist on strict performance of any of the provisions of this Agreement, or to exercise any right they grant, shall not be construed as a relinquishment or future waiver; rather, the provision or right shall continue in full force. No waiver by any Party of any provision or right shall be valid unless it is in writing and signed by the Party.

4.5 Forum Selection. It is agreed by and among the Parties that a civil action among the Parties for judicial relief with respect to any dispute or matter whatsoever arising under, in connection with, or incident to, this Agreement shall be brought, if at all, in the United States District Court for the District of Columbia.

4.6 Effectiveness of Article 4. This Article 4, and the obligations imposed and rights conferred herein, shall be effective upon the execution of this Agreement by all the Parties.
